

Exactly Ed

Every day at exactly 6:45,

Ed gets out of bed,

not 6:44 or 6:46,

because he's exactly Ed.

Every day at exactly 7:00,

Ed gets ready to go.

He washes his face, combs his hair,

and gets dressed-

Never fast and never slow.

He does the same things

at the same time every day.

Because he's Exactly Ed,

it just has to be that way.

Every day at exactly 7:15,

Ed eats his breakfast.

Then he brushes his teeth,

and he walks to school.

So at 8:00 he sits at his desk.

(Chorus)

What time do you...

...wake up? I wake up at 8:00

...get out of bed?

...eat breakfast?

... brush your teeth?

... go to school?
