

## WALT: Use of First Person and Past Tense.

Objectives: Change the use of second person to first person (You to I) and then apply the use of future tense to past tense.

Examples:

Type the sentences again to the correct use of first person and past tense.

You will go for a boat ride on beautiful Lake Inle. You will see the famous fishermen of the lake. You will be amazed to see how they use their feet to paddle the boat. You will see the fishermen swing the net ready to catch fish. They carefully balance on the boat and paddle with their feet.

You will visit a workshop to see beautiful lacquer ware being made. Strips of bamboo are woven then covered with lacquer and left to dry. After, a pattern is engraved on the lacquer. Many layers of lacquer make the cups very strong, but they take a long time to make. You will eat lunch and in the afternoon see silk being made.
