In this song, I am going to teach you the 12 months of the year.

Are you ready? Here we go!

January, February.....

April May .....

July August .....

October November .....

These are the 12 months of the year. Alright, now let's try and sing them together.

..... February,March and ..... May June

..... and August

September .....

November December

These are the 12 months of the year. That was great!

January ..... March

and April ..... June

July and .....

September October

..... December

These are the 12 months of the year
