Reading

My name's Wendy Black and I live in Brighton. Today is Saturday and it's my fourteenth birthday. I'm very excited. Birthdays aren't ordinary days in my family. Every year, I wake up to find balloons in my room. My parents prepare a tasty birthday breakfast. They sing "Happy Birthday" and then they give me my presents.

Right now, I'm in town with my brother, Harry. We are in The Lanes. This is a special part of Brighton. There are shops with amazing things to buy. At the moment, Harry is buying me some posters of Adele. I think she's a great singer and I listen to her music all the time.

On a birthday, my family usually goes to a restaurant for dinner. I love Donatello. It's an Italian restaurant in The Lanes and they have got delicious pizzas. My favourite pizza is the Quattro Formaggi. It's got four different cheeses on it. We finish our dinner with Italian ice cream. Delicious! It's a perfect end to a perfect day.
