hope ur ok by Olivia Rodrigo

I knew a ____ once, when I was small
A tow-head ____, with eyes of salt
He played the drum in _____ the band
His _____ cared more about the Bible
Than being good to their own ____
He wore long _____ 'cause of his dad
And _____, we fell out of touch
Hope he took his bad deal and made a ____ flush
Don't know if I'll see you again _____
But if you're ____ there, I hope that you're okay
My middle school ____ grew up alone
She raised her _____ on her own
Her parents ____ who she loved
She couldn't wait to go to _____
She was _____ 'cause she was brought
Into a world where _____ was merely blood
Does she know how _____ I am she was created
With the _____ to unlearn all of their hatred

We don't _____ much but I just gotta say
"I miss you, and I _____ that you're okay"
Address the letters, to the holes in my _____ wings
Nothing's _____, nothing is as good as it seems
And when the _____ are ironed out
And the _____ creep into your house
And every door is hard to _____
Well, I hope you know how proud I am you were _____
With the courage to _____ all of their hatred
God, I hope that you're _____ today
'Cause I _____ you, and I hope that you're okay
