Like you can't take your _____ eyes away from me
It's not that I don't _____ to stay
But every _____ you come too close, I move away

I wanna _____ in everything that you say
'Cause it _____ so good
But if you really _____ me, move slow
There's things about me, you just have to _____

want - sounds - believe - know

**2) Put the verses in the correct order.**

Treat you right,
Sometimes I'm scared of you
Baby, all I need is time
Be with you day and night
Sometimes I run
But all I really want is to hold you tight
Sometimes I hide

**3) Listen carefully. There are extra words in all the verses. cross them out.**

I really don't wanna be so shy
Every time that I'm alone, I always wonder why
Hope that you will never wait for me
You'll see that you're often the only one for me
I don t wanna believe in everything that you say
'Cause it sounds so much good
But if you really want me, please move slow
There's some things about me, you just have to know

**4) Put the verses in the correct order.**

The way that I trust in you
There's nowhere I'd rather be
Just hang around and you'll see
If you love me, trust in me
