

Catch the fish DIY game

Join the materials with the correct object:

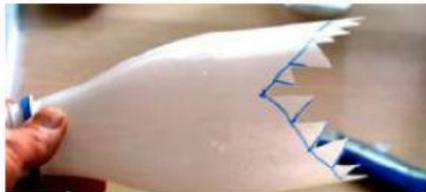

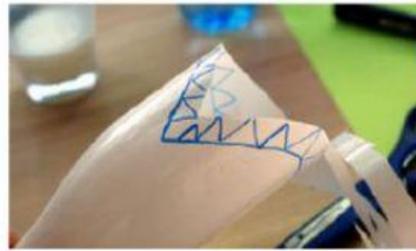

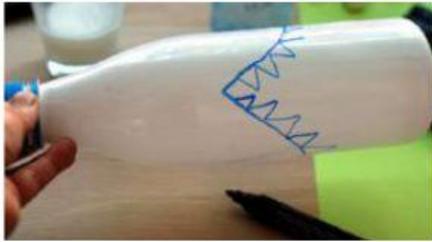

Materials:

- Plastic bottles
- Permanent markers
- Yellow toy case of a chocolate egg.
- String.

The instructions are all messed up. Put them in order following the pictures.

- Paint and decorate - Cut out the shark's teeth - Have fun! –
- Paint and decorate the yellow case as a fish - Cut the bottle in half –
- Cut out the shark's fin and stick it –
- Make a hole in the bottle top and in the yellow case –
- Draw the shark's jaws on the plastic bottle - Tie the rope into the holes

Here you have another idea to make a flower:
