Gary Moore

Used to be ---------- easy to give my heart ----------.
But I ---------- out the ---------- way,
There"s a ---------- you have to pay.
I found out that love was no friend of ----------.
I should ---------- known time after time.

So long, it was so long ago,
But I've still got the blues for you.

Used to be so easy to ---------- in love again.
But I found out the hard way,
It"s a road that ---------- to pain.
I found that love was more than just a----------.
You're playin" to win, but you ---------- just the same.

So long, it was so long ago,
But I've still got the blues for you.

So many years since I've seen your face.
Here in my heart, there"s an---------- space
Where you used to be.

So long, it was so long ago,
But I've still got the blues for you.

---------- the days come and go,
There is one thing I know.
I"ve still got the blues for you.
