

Driver's License

I _____ my driver's license last week
Just like we always _____ about
'Cause you were so excited for me
To finally drive up to your house
But today I _____ through the suburbs
Crying 'cause you _____ around

And you're probably with that blonde girl
Who always _____ me doubt
She's so much older than me
She's everything I'm insecure about
Yeah, today I _____ through the suburbs
'Cause how _____ I ever love someone else?

() 'Cause you said forever, now I drive alone past
your street
() And I know we weren't perfect, but I've never felt
this way for no one
() Guess you didn't mean what you wrote in that song
about me
() And I just can't imagine how you could be so okay
now that I'm gone

tired / all / are / friends / my / And

Of hearing how much I miss you, but
I kind of feel sorry for them

'Cause / do / you / know / that / never / way / the / I / they'll, / yeah

Today I drove through the suburbs
And pictured I was driving home to you

Chorus X1

Red lights / nights, stop signs
I still see your face / gaze in the white cars, front yards
Can't drive past the places we _____ to go to
'Cause you know I still love you, babe (ooh, ooh, ooh, ooh)
Sidewalks we _____
I still hear your voice in the traffic, we're laughing
Over all the noise
God, I'm so blue, know we're through
