1. Look at the examples. Try to match phrasal verbs with their definitions.

1. Do you think you could **put this back** where you found it?
2. **Put all your toys away** now.
3. It's important to know how to **put out a fire**.
4. Please **put on a jacket**, because it's cold outside.
5. We have to **put off the meeting**, because I am sick.
6. I don't know how you **put up with him**! He's so annoying!
7. Try to **put by some money** each week.
8. I've decided to **put in for a job** as a police officer.

put back	to stop burning
put away	to apply for something
put out	to wear
put on	to tolerate
put off	to save money
put up with	to delay
put by	to return something into its original place
put in	to tidy

2. Discuss the questions:

1. What clothes would you **put on** for a birthday party?
2. What is something that you always **put off** until another day?
3. What is something that you can't **put up with**?
4. Do you **put by** money every week?
5. Have you ever had to **put out** a fire?
6. What job would you like to **put in** for in the future?
