

Permission to dance

It's the thought of being young
When your heart's just _____ a drum
Beating louder with no way to guard it
When it all _____ like it's wrong
Just sing along to Elton John
And to that feeling, we're just getting started

When the nights _____ colder
And the rhythms got you falling behind
Just _____ about that moment
When you _____ yourself right in the eye, eye, eye
Then you say

I wanna dance,
Ain't nothing that can stop
Let's break our plans and live
And roll in like
We don't need
'Cause when we fall
Don't need to talk the talk
'Cause we don't need

how we move, yeah
to worry
we're dancing fools
just walk the walk tonight
just like we're golden
permission to dance
we know how to land
the music's got me going

There's _____ something that's standing in the way
But if you _____ let it faze ya, you'll know just how to break
Just keep the right vibe, yeah, 'cause there's no looking back
There ain't no one to prove, we _____ get this on lock, yeah

The wait is over
it / is / so / now, / time / let's / do / The / right /

Yeah, we'll keep going
And stay up until we see the sunrise
Love you And we'll say

Chorus

Well, let me show ya
fire / we / alive, / keep / the / can / That / mmm

'Cause it's not over
Till it's over, say it one more time, say
