

DATE /DAY : 23 SEPT 2021 (Thursday)

topic : measurement

content standard : volume of liquid

learning standards : 5.3.3

performance standard : determine the steps of completing a mathematical sentences decimal involving measurement.

OBJEKTIF PEMBELAJARAN : Pupils be able to add up to three volume of liquid in fractions and decimal without and with unit conversion.

references : Mathematics textbooks year 5 page 203 – 204
