ACTIVITY 1

Make a group of four. Rearrange these steps of making lemon tea into correct order based on the pictures.

Stir the lemon tea slowly, then pour it into the cup

After that, take the tea leaf out from the boiling water

Finally the lemon tea is ready to drink

Put some ice cubes into the cup

Then, add four spoons of brown sugar

Cut the lemon into two pieces, then squeeze them.

Add 1 spoon tea leaf to the boiling water

Firstly, boil two glasses of water
