

## THE TIMETABLE

Sharon is a bright girl. She gets good grades in all her school examinations. All the teachers like Sharon because she can answer questions correctly. She also does all her homework that the teachers give her. Sharon's friends admire her because she always does her work on time.

Sharon is an active girl. She goes for tuition classes at night. During the weekend, Sharon has to go for piano lessons. Sharon also likes to play badminton or go for a swim during her free time.

Sharon has a timetable to help her do all her daily works. She follows her timetable strictly so that she can use her time wisely. Sharon allots herself time to do her homework, revise her lessons, play games and even watch television. She also has time for other activities that she likes to do. By keeping to her timetable, she is able to complete her school work and do well in all the examinations. Sharon's parents are proud of her because of her hard work and good grades in school.
