Hi Bill,

I'm writing to tell you a little bit about my life.

In my free time I visit my friends. I have 3 friends from school and we go to the cinema or play computer games. We are fond of Candy Crash and Preguntados. I haven't got any free time in the morning because I go to school, but in the afternoon I watch TV or surf the internet. I love using facebook in my free time. If I have time, I'll go to my friend's house tomorrow.

I live in a small house in Quilmes. It's not my dream house but it's very comfortable. It has got a small garden with flowers and plants and it has got a garage for my father's car. There are 2 bedrooms and there is a livingroom, a kitchen and a bathroom. The living room is larger than the kitchen, and the bathroom is the smallest room in the house. My favourite room is my bedroom because I have got my computer in it.

Yesterday I had an awful experience at home. I was with my mum. We were in the kitchen. My mum was cooking pasta when my father arrived. They started talking and my mother forgot the pasta and it got burnt! It was horrible!

Last weekend I did a lot of interesting things. On Saturday I visited my grandma in the morning and we drank mate. She made a cake and I helped her. On saturday afternoon I went to Carrefour with my father and we bought food. On Sunday morning I slept a lot. I got up at 11 o'clock!! I didn't have breakfast. Then I went to a restaurant with my family and we had lunch. In the afternoon we went to the cinema and we saw Malefica.

It was great!
