What do the following people regret?

Adam (A)
I shouldn t have studied dance and drama at university.My parents wanted me to be a teacher. That sounded too boring so I didn t follow their advice.My dream was to be a famous actor.Now I m unemployed. I shoud ve listened to my parents. I should ve thought more about my future and chosen a practical subject

Bettina (B)
I should have gone to university. I should ve studied harder whenI was in high school. Then I could ve got a good education and a well-paid job-Oh well, Hindsight is 20 to 20. Worse than that, though is the fact that I didn t marry Toby.He asked me to marry him but I wasn t ready. I thought I was too young at 21. I wish I had accepted now.

Connie (C)
If I could turn back the clock there are a couple of things that I would do differently I should have taken part in more extra-curricular activities during my high school and university years. I shouldn t have worked so hard.In addition I wish I hadn t bought my car
