

Ordinary people in extraordinary houses!

Hi, I'm Sam and this is my house. It's very unusual! It's an old lighthouse and it's on an island near Seattle, Washington. It's 200 years old and it's very big. There are two parts: the base and the tower. Our house is in the base. Downstairs there's a kitchen, a living room, and a dining room and upstairs there are four bedrooms and two bathrooms. The tower is fantastic. It's 30 meters tall. At the top there's a special room with a light and big windows. It's my favorite room.

Hello, my name's Kelly

and my house is a boat! It's on the Mississippi River, in Louisiana. Our houseboat isn't very big, but it's cool! There's a living room, a dining room, a bathroom, and two bedrooms. The kitchen is very small, but there's a stove and a refrigerator. There isn't a yard, but there's a table and some chairs outside. It's great in summer!
