Cars should be banned in the city

Cars should be banned in the city. As we all know, cars create pollution, and cause a lot of road deaths and other accidents.

Firstly, cars, as we all know, contribute to most of the pollution in the world.Cars emit a deadly gas that causes illnesses such as bronchitis, lung cancer, and 'triggers' off asthma. Some of these illnesses are so bad that people can die from them.Secondly, the city is very busy. Pedestrians wander everywhere and cars commonly hit pedestrians in the city, which causes them to die. Cars today are our roads biggest killers. Thirdly, cars are very noisy. If you live in the city, you may find it hard to sleep at night, or concentrate on your homework, and especially talk to someone.
