

Making a sandwich

Instructions

Step 1: put on the table things you need for making a sandwich: bread, butter knife, butter, jam

Step 2: place 2 pieces of bread on the plate

Step 3: use knife, take some butter and spread evenly on one piece

Step 4: use knife, take some jam and spread evenly on the other piece

Step 5: Make sure the side of the bread with the butter and the side of the bread with jam are facing each other. Then press the 2 slices of bread together.

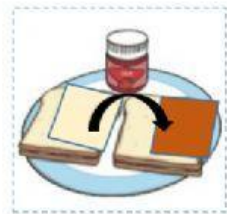

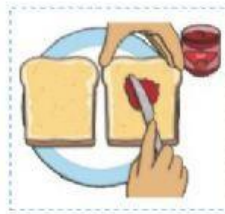

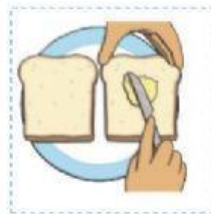

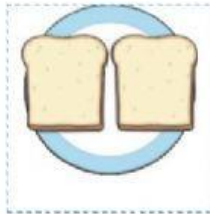

Last step: Enjoy your sandwich.

Making a sandwich
