

NAME:

Write in expanded form:

The diagram illustrates the conversion of the number 293 from standard notation to expanded notation. On the left, the number 293 is written in orange, with an orange arrow pointing to it from the label "Standard Notation" below. To the right of 293 is an equals sign, followed by the expression $2 \times 100 + 9 \times 10 + 3$ in purple. A purple curly brace is drawn under this expression, with the label "Expanded Notation" in purple centered below the brace.

$$293 = 2 \times 100 + 9 \times 10 + 3$$
