ital city. I'm a

My father is from New Zealand too but my mother is from London. She is British. We live here with my granny and her dog Charlie. I haven't got any brothers or sisters.

I've got long blond hair and blue eyes. I'm quite tall, too. My friends say I'm friendly and a bit shy.

I love living in Wellington. It's brilliant! The population is about 180,000 people. I like outdoor sports like parachuting and mountain biking. I can skydive and surf but I can't play any musical instrument.

I'm into animals, especially reptiles. My number one thing is my pet, Koola. It is a snake!

In the future I want to be a veterinarian. I'm a fan of Nicole Kidman. She's my favourite actress.

My favourite place in the city is the Karori Wildlife Sanctuary. It is a natural park to protect different type of native animal species.

You can see kiwis, tuataras (a reptile from the island), watas (a rare insect) and many birds.

Come and visit New Zealand! It's great!

Please, email me soon and tell me all about you.

Love,

Nancy
