Steps in a process: Let's make a Jet! Match the steps with the models.

Fold the top edges into the center line.

Fold the wings down, matching the top edges up with the bottom edge of the body

Fold the plane in half toward you.

Fold the paper in half vertically.

Unfold the paper and fold each of the top corners into the center line.

You can add double stick tape to the inside of the body. The finished plane should look like this.
