COUNT ON ME

(by Bruno Mars)

3. Listen to the song and complete the lyrics by writing the correct letter into the boxes.

If you ever find yourself stuck in the middle of the sea

If you ever find yourself lost in the dark and you can't see

Find out what we're made of

You can count on me like one, two, three,

And I know when I need it I can count on you like four, three, two, and

Cause that's what friends are supposed to do, oh yeah

Whoa, whoa Oh, oh Yeah, yeah

If you're tossin' and you're turnin' and you just can't fall asleep

And if you ever forget how much you really mean to me

I'll be the light to guide you

A

When we are called to help our friends in need

B

I'll sing a song beside you

C

I'll be there

D

I'll sail the world to find you

E

You'll be there

F

Everyday I will remind you

Traditions in *Love and Friendship Day*!

Colombian people have a sweet celebration every third Saturday of September: *Amor y Amistad* -which translates "love and friendship"-.

The goal of this celebration is to express love and affection to friends and couples.

Colombian people usually celebrate by giving candies, chocolates and desserts to people they love or having a special dinner in a restaurant. Friends and couples play "secret friend", spoil someone with candies, get together with Friends, go out on a romantic date and give presents to each other.

4. According to the reading, match the tradition of *Love and Friendship Day* to its description:

Get together

Popular game in which a group of people draw their names and they secretly give sweets, little notes or flowers everyday until *Love and friendship Day* when they give a gift to each other.

Go out on a romantic date

Popular activity in which you spoil a friend with sweets, chocolates or desserts, during several days of September until *Love and friendship Day*.

Secret friend

Activity in which friends gather and have fun during *Love and friendship Day*.

Endulzada

Appointment in which a couple gather to spent time together and have a special moment during *Love and friendship Day*.

Let's build sentences!

Colombian people love giving presents.

When building sentences, we talk about someone (**SUBJECT**) who makes an action (**VERB**) and we give additional information (**COMPLEMENT**).

Cuando construimos oraciones, hablamos de alguien (**SUJETO**) que realiza una acción (**VERBO**) y damos información adicional (**COMPLEMENTO**).
