Sally's Easy Menu Blog

Hi. Here are my new for a tasty .

First, I've got some I love and .

After that, I've got these for the starter (an idea from the internet).

Next is the main course. Today it's mini with

and olives. I love making these. They look like faces and they taste .

Finally, my favourite: ! There's hot fruit with .

I like this because there aren't many and it's easy to make. Just

some , cook for ten minutes with some

and serve it with ice cream. Mmm! !

Enjoy your ! And join me next month for another easy menu.
