**COMMUNITY SERVICE**

Community service is very important in social life. As you know, our social life has both the rich and the poor people. So it is necessary for us to take part in volunteer activities to help poor people and elderly people. We can help them in various ways. Firstly, it is easy for us to collect old clothes which we don't need. Besides, we can join volunteer activities to raise funds for the poor and the homeless in our country. Finally, we can spend time talking with older people, sharing with poor children. Through these activities, we can develop our leadership skill by organizing fund raising, providing food as well.
