Section B

Read the story below. Place an X in the box to answer questions 1 - 4.

Kaden and his family had recently moved to the island. Yesterday was his first day at his new school. Kaden's teacher and classmates welcomed him to the class. Everyone seemed friendly but Kaden just sat quietly. He felt lonely and sad. He was afraid that he would not make any friends.

Then, teacher announced that it was time to play a game. Kaden was part of team B. Although he felt afraid, he decided to take part in the game. He worked well with his team and they won! He had so much fun. By the time school was over, Kaden had made many friends. He could not wait to return to school the next day.
