# GRAMMAR – INFINITIVES AND GERUNDS I.

## Unit 8 – 4º ESO B

## 20200506

**1. Click the correct answer.**

### A TOP RESTAURANT.

Signs, a restaurant in Toronto, Canada, is a very special restaurant. [1] ..... there is an experience that you probably won't forget. Imagine [2] ..... a waiter, but he doesn't even look at you. That could happen at Signs, because almost all the waiters are deaf. The owner of the restaurant, Anjan Manikumar, decided [3] ..... a restaurant with deaf waiters after [4] ..... deaf customers when he was a waiter himself. He found it difficult [5] ..... with the customer and he felt that the customers deserved better service, so he opened Signs. When the restaurant opened, more than 200 deaf people wanted [6] ..... there, but there were only 50 jobs available. Customers at the restaurant order their meals by [7] ..... sign language, but many of the customers aren't deaf. The menu shows the signs for basic words, which allow the customers [8] ..... their food. Signs is a great idea. Many customers are interested in [9] ..... the world from a deaf person's point of view.
