

## Exile --- Taylor Swift (feat. Bon Iver)

I can see you \_\_\_\_\_, honey  
With his arms around your \_\_\_\_\_  
Laughing, but the joke's not funny at all  
And it took you five whole minutes  
To pack us up and \_\_\_\_\_ me with it  
Holding all this love out here in the \_\_\_\_\_  
\*I think I've seen this film before  
    And I didn't like the ending  
    You're not my \_\_\_\_\_ anymore  
    So what am I \_\_\_\_\_ now?  
    You were my \_\_\_\_\_  
    Now I'm in exile, seeing you out  
    I think I've seen this film before

I can see you staring, honey  
Like he's just your understudy  
Like you'd get your knuckles \_\_\_\_\_ for me  
Second, \_\_\_\_\_, and hundredth chances  
Balancing on breaking branches  
Those eyes add insult to \_\_\_\_\_  
I think I've seen this film before  
And I didn't like the ending  
I'm not your problem anymore  
So who am I \_\_\_\_\_ now?  
You were my \_\_\_\_\_  
Now I'm in exile, seeing you out  
I think I've seen this film before

So I'm leaving out the side door  
So step right out, there is no \_\_\_\_\_ of crying I can do for you  
All this time  
We always walked a very thin line

homeland	offending
third	leave
warning	defending
injury	bloody
hall	town
crown	amount
standing	body

You didn't even hear me out (You didn't even hear me out)  
You never gave a \_\_\_\_\_ sign (I gave so many signs)  
All this time  
I never learned to read your mind (Never learned to read my mind)  
I couldn't turn things around (You never turned things around)  
'Cause you never gave a warning sign (I gave so many signs)  
So many signs, so many signs  
You didn't even see the signs
