Lesson 1: Actors

Being an actor (1) ..... be great. I really wish I could act. I'd love to have the confidence to act in (2)..... of people. Being a member of the audience at the (3) ..... is great, but acting on stage is better. I wonder what it's like to be a movie actor. I think you need to be beautiful or handsome to be a (4)..... Hollywood or Bollywood actor. They all look great. Actors are very lucky. They get paid (5) ..... amounts of money to do what they (6)..... doing. My favourite actors are all dead now. I really like the actors (7) ..... black and white movies. They all looked so cool. Actors in the old days (8) ..... to be more (9)..... than today's actors. The best thing about being an actor is that all of your friends are (10) ..... too.

Lesson 2: Beauty

People say that beauty (1) ..... of the beholder. That means if someone thinks someone else is beautiful, (2)..... beautiful. I think the idea of beauty is interesting. Why (3)..... some things or some people are beautiful and others aren't? Some people think a building is beautiful, (4).....think the opposite. People nowadays spend (5)..... time and money on beauty. I agree with the expression, "beauty is only skin deep". This means (6)..... really important is someone's heart and character, not what they look like on the outside. It's a little strange, (7)....., that you have to be beautiful to be a top actress (8)..... news reader on TV. I think there should be (9) ..... for (10) ..... "non-beautiful" people.
