Lesson 5: **Dreams**

I dream (1) ..... I have a lot of dreams and I remember (2) .....I'm not sure what they mean. Some of them are (3)..... One day I'll have to buy a book on dreams and see if I can interpret them. When I was a little kid, I had really bad dreams. Real scary ones. They were (4) ..... rather than dreams. Usually it was some big, (5) ..... me. My dreams today are (6)..... Sometimes I'm speaking in another language in my dream. The ones I don't like are the ones where I'm (7) ..... But I my dreams (8).....I sometimes have really nice dreams, but then my (9) ..... I press snooze and try and (10) .....my dream for another ten minutes.

Lesson 6: Eggs

Eggs are great. Where would we be (1) .....? They are so useful. I can't imagine (2) ..... There are many ways of (3) ..... – fried eggs, scrambled eggs, boiled eggs, etc. There are even many ways of "cooking" these. You can have a (4)..... or even have it sunny side up. You can have soft or hard-boiled eggs and fluffy scrambled eggs. There are also many things to (5) ..... – mayonnaise, ketchup, salt, soy sauce. Each country (6) ..... I like cooking with eggs. I particularly (7) ..... I can now (8) ....., without breaking the yolk. Sometimes (9) ..... and (10) ..... dripping down your arm.
