Hello! I'm Karina Fernández Condorena and I am from Puno. My favourite invention is actually a structure. It is the *Fitotoldo* of my community. A *Fitotoldo* is a type of greenhouse. I like it because we can grow vegetables in it. I love watering the vegetables. My brother, my sister and I like eating vegetables too. The *Fitotoldo* in my community is really big. It is great.
