

The Very Hungry Caterpillar

Put the Caterpillar pictures in order, follow the

A sequence of 13 blue rectangular boxes for placing caterpillar pictures, connected by yellow arrows. The sequence is arranged in three rows: the first row has 4 boxes, the second and third rows each have 4 boxes, and a single box is centered below the third row. Dashed yellow lines indicate a path starting from the left, going right through the first row, then down to the second row, then down to the third row, and finally down to the single box at the bottom.
