INSPECTOR MORSE

A VERY POPULAR DETECTIVE!

DETECTIVE CHIEF Inspector Morse is the star of a series of thirteen detective novels by British writer Colin Dexter. Morse is a senior officer with the Thames Valley Police in Oxford.

The novels were so popular because Inspector Morse has such an unusual personality. He loves classic cars, classical music and is very intelligent. He is also a very likeable person but he usually seems in a bad mood. Inspector Morse dislikes spelling errors and bad grammar and always points out the mistakes he finds in reports.

Morse has a faithful young partner called Detective Sergeant Lewis who accompanies him everywhere.

The Inspector Morse books were so successful that Central Independent Television made them into a TV series that is still popular today.
