I love the mornings, so I go for a run every day at six o'clock. Then, I have breakfast and catch the bus to school. I always play basketball with my friends before lessons start. I've got basketball training three afternoons a week and I play matches on Saturdays. Our team is great and we sometimes win! After dinner I usually watch basketball on TV.

I go to boarding school so on schooldays I always have breakfast with my friends. Then I have a shower and go to lessons until quarter past four. Monday is my favourite day because I've got a trumpet lesson after school. In the evenings I usually play games with my friends and once a month we go to the cinema. I love adventure films!

My cousin Cecilia lives in Salvador in Brazil and she loves capoeira. It's a traditional Brazilian activity with dance and acrobatics. Cecilia practises on the beach every day after school and she goes to competitions in different parts of the country. She sometimes wins a trophy. I think Cecilia is great!
