

Continents, countries, and cities

3 Name the continents.

A world map is shown with seven numbered regions. Dashed arrows point from each number to a label box. The labels are as follows:

- 1: Asia (A)
- 2: Europe (E)
- 3: Africa (A)
- 4: North America (N A)
- 5: South America (S A)
- 6: Australia (A)
- 7: Antarctica (A)
