

- (c) A somatic cell undergoes a cell division as shown in Diagram 2.2. State the behaviour of the chromosomes in the spaces provided below.

Satu sel soma menjalani pembahagian sel seperti yang ditunjukkan dalam Rajah 2.2.

Nyatakan perlakuan kromosom dalam ruang yang disediakan di bawah.

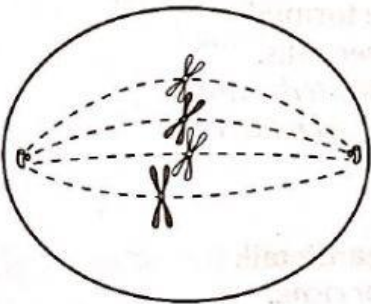

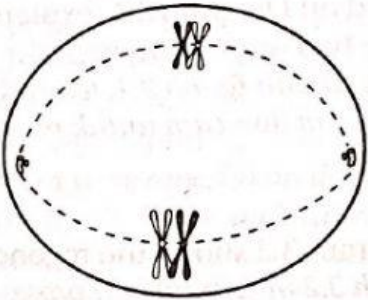

Mitosis: metaphase Mitosis: metafasa	Meiosis: metaphase I Meiosis: metafasa I
	
Behaviour of chromosome: <i>Perlakuan kromosom:</i> 	Behaviour of chromosome: <i>Perlakuan kromosom:</i>

Diagram 2.2 / Rajah 2.2

[2 marks / markah]

- (d) Name **two** cells produced through meiosis in humans.

Namakan dua sel yang terhasil melalui meiosis pada manusia.
