Every time, when he came back, he was sad and didn't want to play with the tree. However, the tree was ready to do anything to make him happy. She gave him all the apples to sell them and buy toys. Then, she told him to cut her branches to build a house and at last, he took her trunk to build a boat and go sailing. Finally, he came back after many years but she told him that she had nothing left except her root. The man told her that he only wanted a place to rest. The man sat down and the tree was very happy.
