

**Maurice E. Moore Primary School**  
**Bi-Monthly Assessment #3**  
**Mathematics - Concept**  
**Topics: Place Value to Hundreds and Calendar**

**Section A**

Write the number shown by each set of cube. [2pts.]

|                                                                                                                                        |                                                                                                                                         |
|----------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <p>(a)</p>  <p style="text-align: center;">Blocks</p> | <p>(b)</p>  <p style="text-align: center;">blocks</p> |
|----------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|

Write the value of the underlined digit. [3pts.]

(c) 4 6 7

(d) 8 9 1

(e) 5 7 9

**Section B**

Drag and drop the amounts of time that are the same. [4]

|                |            |           |           |
|----------------|------------|-----------|-----------|
| 1 leap<br>year | 1<br>month | 1<br>year | 1<br>Week |
|----------------|------------|-----------|-----------|

|                 |              |               |                |
|-----------------|--------------|---------------|----------------|
| (f) 12 months = | (g) 7 days = | (h) 4 weeks = | (i) 366 days = |
|-----------------|--------------|---------------|----------------|

Use the calendar to answer the questions. [4]

| October |    |    |    |    |    |    |
|---------|----|----|----|----|----|----|
| S       | M  | T  | W  | T  | F  | S  |
|         |    |    |    |    | 1  | 2  |
| 3       | 4  | 5  | 6  | 7  | 8  | 9  |
| 10      | 11 | 12 | 13 | 14 | 15 | 16 |
| 17      | 18 | 19 | 20 | 21 | 22 | 23 |
| 24      | 25 | 26 | 27 | 28 | 29 | 30 |
| 31      |    |    |    |    |    |    |

(j) How many days are in the month of October?

(k) What day is the 14<sup>th</sup> of this month?

(l) How many Sundays are in the month of October?

(m) What two days are the weekend?
