

## Helping the environment

### 1. What's the word?

Write the word under the pictures.

a b c

|                                                                                    |                                                                                    |                                                                                     |                                                                                      |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| pollution                                                                          | chemical waste                                                                     | global warming                                                                      | deforestation                                                                        |
| melting ice caps                                                                   | rubbish in seas                                                                    | polluted rivers                                                                     | littering                                                                            |
|   |   |   |   |
|                                                                                    | pollution                                                                          |                                                                                     |                                                                                      |
|  |  |  |  |
|                                                                                    |                                                                                    |                                                                                     |                                                                                      |

### 2. Match them up!

Match the environmental problem to the sentence.

|                  |                                                      |
|------------------|------------------------------------------------------|
| pollution        | The planet's temperature is rising because of _____. |
| chemical waste   | Most _____ comes from the land.                      |
| global warming   | Cars and lorries contribute to air _____.            |
| deforestation    | Sea levels are rising because of _____.              |
| melting ice caps | Dropping rubbish on the ground is called _____.      |
| rubbish in seas  | Rainforests are being destroyed by _____.            |
| polluted rivers  | Lots of _____ comes from factories.                  |
| littering        | Animals and plants which live in _____ can die.      |

## 3. Choose the answer!

Read the sentence. Circle the correct answer. Write two more sentences with your own ideas for ways to help the environment.

- a. Have a \_\_\_\_\_, not a bath. **party / shower / break**
- b. \_\_\_\_\_ to school instead of taking the car. **Walk / Fly / Swim**
- c. Turn \_\_\_\_\_ the lights when you leave the room. **up / on / off**
- d. \_\_\_\_\_ plastic, metal, glass and paper. **Recycle / Throw away / Burn**
- e. Write on both sides of a piece of \_\_\_\_\_. **cheese / wood / paper**
- f. Turn the \_\_\_\_\_ off when you brush your teeth. **lights / tap / music**
- g. \_\_\_\_\_
- h. \_\_\_\_\_

## 4. Draw a picture!

Choose two ideas from exercise 3. Draw a picture of you doing them!
