Drag the sequencing words and expressions into the text

In the end	After that	Then	First	Next	Finally

[ ], I heard a very loud noise outside the aeroplane window. I didn't think it was anything to worry about. [ ], I noticed some black smoke. [ ] I heard the captain's voice. [ ], I don't remember a lot. I shut my eyes tight and waited and waited. [ ], the plane started to descend and I felt a huge bump when it landed. [ ], all the passengers got off the plane safely. We never found out what the problem was.
