[red box], I heard a very loud noise outside the aeroplane window.

I didn't think it was anything to worry about. [red box], I noticed some black smoke. [red box] I heard the captain's voice. [red box],

I don't remember a lot. I shut my eyes tight and waited and waited.

[red box], the plane started to descend and I felt a huge bump when it landed. [red box], all the passengers got off the plane safely. We never found out what the problem was.
