answers all the questions given:

Reading Comprehension

Haziqah's Diary - Day 2

In the lacquer ware workshop, we saw people making cups and boxes. They used strips of bamboo. They covered the bamboo with black lacquer. They waited for it to dry. They made pictures on the lacquer. It took a long time, but the cups and boxes were very strong and also very beautiful. They are very expensive because they take a long time to make. The boxes last a long time because they are very strong.

1. What were the people making in the lacquer ware workshop?
