

### 组屋区里的设施（三）

我家附近有座购物中心。

购物中心里有超级市场、图书馆、书局、食阁、快餐店、餐馆和其他商店，提供各种各样的货品和服务。

新加坡天气炎热，购物中心内有冷气，所以许多人都喜欢去那里购物和用餐。

There is a shopping mall near my house.

There are supermarket, library, bookshop, fast food restaurants, restaurants and other shops in the shopping mall, providing a variety of goods and services.

Singapore is very warm, hence many people like to go to the air-conditioned shopping mall to shop and dine.

我和朋友经常在下课后去那里的快餐店吃午餐，再去图书馆看书。

周末的时候，爸爸会带全家去那里的餐馆吃晚餐，再去超级市场购买日常用品。

My friends and I often go to the fast food restaurants there for lunch after school, then read books at the library.

On weekends, my father will bring our whole family to the restaurants there for dinner, then to the supermarket to get our daily necessities.
