LYRICS:

Big Ben is not a
Big Ben is not a
Big Ben is not a
It's a bell: ding dong

A museum, to learn about space
Astronauts, rockets, awesome place
At the British you can see
Egyptian mummies; it's free!

700 species in London Zoo
Reptiles*, Amphibians, Invertebrates too *[1st time only]
Penguins waddle, crocodiles snap
No you can't stroke a on your lap!

Round and round goes The London Eye
It's 130 meters high
Buckingham is where The Queen sleeps
And The Prime Minister at Downing Street.

If you're tired, and need to
get and and a cup of tea
