

The best job in the world

What did you want to be when you were a child?

When I was a child, I always wanted to be an archeologist. My parents and I went to Machu Picchu and I loved the ruins. I really became interested in ancient history but then when I was sixteen, I had the chance to make a lot of money as a model, I am 23 now and I want to study International Business at USPM and trade products from China.
