I live in Edinburgh. It's a very old city. It has two castles. Many people like to visit and the most popular time to visit is in August. That's when the Edinburgh International Festival is. It has plays, operas, comedy shows and music concerts. Performing groups come from all over the world.

I love music. I have a guitar. I play in a band with my friends and I like to listen to music on my MP3 player. My favorite band is Coldplay. Do you have a favorite band or singer?

Write back and tell me about Spain, your city and what you like to do for fun.

Your friend,

Donald
