

Recite the poem.

When I am sad, I want to cry.
When I am proud, I want to fly.
When I am curious, I want to know.
When I am impatient, I want to go.
When I am bored, I want to play.
When I am happy, I smile all day.
When I am shy, I want to hide.
When I'm depressed, I stay inside.
When I am puzzled, I want to shrug.
When I am loving, I kiss and hug.
