1. Hey, I'm Jason. My brother Ian and I want to spend our summer together. I really like water sports and Ian is keen on making new friends from other countries. We speak English, Spanish and a bit of French. We quite like playing the guitar, dancing and listening to music. We want a summer full of activities and fun. We can't stand a boring, quiet place!
2. Hi, I'm Rajesh. I'm 16 years old. I'm from India but I speak English very well. I'm very good at swimming but I'm not good at photography. I'd like to learn how to take professional pictures and even how to make videos. I'm interested in the wildlife, especially fish. I can swim very well.
3. What's up! My name is Elaine and I'm 18. I've been swimming all my life and now I want to take it a step further. I'd like to compete in the next swimming race at El Cabo. I know the basics but now I want to master advanced techniques. I really want to win and I'm ready to give my best.
4. Hey there! I'm Alexa but my friends call me Ali. I'm Afghan. I'm interested in a quiet relaxing summer, far from the traffic and noise of the city. I love the fresh air, the trees and flowers. I don't eat meat or fish. I prefer vegetables and fruits. I am keen on hiking and don't mind activities in the water.
5. Hey, I'm Melissa. I live in Miami and I love the beach. I hate the rain and the cold weather! My dream is to be a surfer but first I need to learn how to swim. I want to spend my summer taking basic swimming lessons in my hometown.
