VI. Reading

Community service is very important in social life. As you know, our social life has both the rich and the poor people. So it is necessary for us to take part in volunteer activities to help poor people and elderly people. We can help them in various ways. Firstly, it is easy for us to collect old clothes which we don't need. Besides, we can join volunteer activities to raise funds for the poor and the homeless in our country. Finally, we can spend time talking with older people, sharing with poor children. Through these activities, we can develop our leadership skill by organizing fund raising, providing food as well.

Advantages of mobile phones for students

It's very clear to all that mobile phones are really useful for students. If students have a mobile phone, then it's easy to contact anyone at their needs. For example, if a student has some problem in school or on the street after school, he can contact their parents immediately. So, the mobile phone is one of the best solutions for any emergency situations. And mobile phone also is a great equipment in order to improve knowledge and communicate with the world. Early morning it works as an alarm clock. Also, it works as reminder if you put some notes on reminder. You can take photos or listen to music anywhere you like. You can manage your spending or receiving money with the help of money management apps. You can use the mobile phone as your personal diary. For these reasons, each student should have one.
