

1) Read about the big city. Then write about the countryside.

In a Big City	In the Countryside
<p>There are parks, but there aren't any forests. There are grocery stores, sports centers, and libraries, too. You can go to the movie theater and see a movie.</p> <p>There aren't any lakes to swim in, and there aren't any mountains. There aren't many places to play outside or have a picnic.</p>	<ol style="list-style-type: none">1 There are <u>forests</u>, but <u>there aren't any parks</u>.2 There are _____.3 You can _____.4 There aren't _____.5 _____.
